CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

## Lake Shore Drive Now In The Mill

Reconstruction of Brown's Farm, an important farm-to-market road in the Everglades is scheduled for completion in 90 days, County Commissioner Paul Rardin reported this week.

Rardin said a \$58,400 contract for the job has been awarded to the Brinson-Allen Construction Company of Tampa.

In another action on Glades highways, the commission this week approved cross section drawings from the State Road Department for construction of Lake Shore Drive in Canal Point. The road, estimated to cost \$147,000, will extend from the West Palm Beach canal bridge, 3-4 miles south to the packing house areas, Rardin said.

Discussing the possibility of using the Pahokee airport as a passenger stop, Rardin said the port could become of greater importance if passenger planes could use the field.

He won approval of the board for an investigation with state authorities to determine if it would be economically feasible to put the airport on regular passenger stops. Rardin said the idea is backed by the Junior Chamber of Commerce of both Belle Glade and Pahokee.

## Musicarnival To Get Underway Jan. 24

The first Palm Beach Musicarnival season will get underway on Jan. 24 with a schedule of top musicals and operettas which will include Rodgers and Hammerstein's "Carousel," Cole Porter's "Can-Can," Wright and Forster's "Song of Norway," and Rodgers and Hammerstein's "Oklahoma!" The productions will be presented for two weeks each with leads from Broadway, television and Hollywood as well as from the Metropolitan and New York City Center opera companies.

The new Palm Beach Musicarnival is being built at polo grounds at a cost of \$250,000. The tent theatre will have a concrete base and a steel cable construction covered by a gayly colored tent. Initially it will seat 1300, and no seat will be more than 14 rows from the round arena stage. The orchestra pit will immediately adjoin one section of the stage.

Producers Price and Bishop have planned for Musicarnival to be a permanent structure in West Palm Beach, and both have taken up official residence in the community.

### CHARLES HOLMES IS ELECTED MAYOR

Charles Holmes, son of Lester Holmes of Pahokee, has been elected "mayor" of Flavel Village III, a housing area for ex-GI married students at the University of Florida. Holmes, who graduated from Pahokee High School in 1951, is a law student at the University. The student government at Flavel Village III has, in addition to a mayor, 12 commissioners from various districts within the housing area, representing in all 440 student residents.

## Tournament To Be Held At Okeechobee

The annual Glades Invitational Basketball Tournament will be held this weekend in the Okeechobee High School gymnasium with Okeechobee, Pahokee, Belle Glade and Clewiston Tigers teams to participate in the competition for the Lake Okeechobee championship and the Crichfield Trophy.

The first round of the tournament will be played this Friday night with the Belle Glade Golden Rams and the Clewiston Tigers battling in the first game at 7:15 while the Pahokee Blue Devils and the Okeechobee Brahmins will meet in the second game of the evening at 8:30.

On Saturday night the winners of these two games will play for the championship and the losers will face each other in the consolation preliminary game.

## Funeral Services For R. L. Hubbard

Funeral services for Robert Lee Hubbard, 52, a resident of Pahokee for the past two and a half years, were held in the chapel of the Madison Funeral Home at LaGrange, Ga., on Thursday.

Mr. Hubbard, a civil engineer employed by the engineering firm of Michael Baker, Jr., Inc., was killed in an accident Monday around 10 a. m. when the tractor he was driving in a survey party in the Everglades 20 miles south of South Bay and 19 miles west of US 27 overturned, pinning him underneath. It is reported he lived about 15 minutes after the accident. The body was not freed from the tractor until 2 a. m. Tuesday when another tractor was able to reach the scene of the accident.

He was a member of the First Baptist Church of LaGrange.

Survivors are his wife, Eva, of Pahokee and one sister, Mrs. Leonard Jones of Columbus, Ga.

Wetherington's Funeral Home of Pahokee was in charge of local arrangements.

## Students Sponsor New Year's Eve Dance

A New Year's Eve dance will be held in the Community Building at Canal Point Tuesday night, Dec. 31, under the joint sponsorship of the Pahokee High School Student Council and the Senior Class.

A special dance orchestra made up of musicians from the Pahokee High School Band will furnish the music under the direction of Robert O. Lampi. The dancing will start at 9 p. m. and last until 1 a. m. the morning of the New Year. Admission will be \$1.25 per couple or \$1 tag.

### WILDLIFE CLUB CAMPED OUT

The Pahokee Junior Wildlife Club spent the weekend on a camping trip to the west side of Lake Okeechobee at Gopher Gully on Fishing Creek.

PAUL RARDIN, Publisher  
The Everglades News

## Last Rites Held For C. A. Ramsey, 63

Funeral services for Charles Arthur Ramsey, 63, of Okeechobee were held at the First Baptist Church in Okeechobee Sunday afternoon with the Rev. John Dickson, pastor, officiating. Burial was in the Port Mayaca Cemetery.

Mr. Ramsey, an employee of the State Road Department, died Friday morning at the Everglades Memorial Hospital in Pahokee where he had been a patient for the past two months following a traffic accident on US 441 north of Canal Point in which he was injured. A native of Missouri, he had been a resident of Okeechobee for two and a half years.

Survivors include his wife, Effie, of Okeechobee; two stepdaughters, a sister and a half brother.

### ELIGIBLE FOR RELIEF

Survey of recent freeze has been completed and Congressman Rogers is glad to advise that Acting Secretary of Agriculture has designated all of the counties in the Sixth District as areas eligible to receive emergency production loans through the Farmers Home Administration. Application blanks may be obtained through the County Offices of the Farmers Home Administration.

Mr. and Mrs. James W. Vann have as holiday guests her brother-in-law and sister, Mr. and Mrs. M. H. Mulkey, Jr., and daughters of Vienna, Ga., and his sister, Mrs. Katherine King, and son, George, of Lumberton, N. C.

## Acreage Reserve Program Starts

The sign-up for the 1958 Acreage Reserve Program for Palm Beach County will start on January 13. M. U. Mounts, Secretary, Palm Beach County Agricultural Stabilization and Conservation Committee has announced. The closing date is March 7.

"Allotment" acres of rice are eligible for the 1958 Acreage Reserve. These are the same crops which were eligible in 1957. The new program seeks to remove from 11.5 million to 14.5 million acres of these allotment crops from production during the coming season. All interested farmers are urged to get in touch with their County ASC Office if they are interested in taking part in the 1958 Acreage Reserve Program.

As was previously announced, each farm taking part in the program for Springplanted crops must have a "Soil Bank Base" established for it. This must be done before a program agreement may be signed by the farmer. The Soil Bank base will be the total crop acreage figure for the farm, based primarily on the farm's production history during 1956 and 1957. The total harvested acreage in 1958 must be reduced below this base by the number of acres placed in the Soil Bank.

Where the Soil Bank base has previously been established for the farm, that same base will be used for farms participating in the 1958 Acreage Reserve.

Mr. and Mrs. Charles Barfield are spending the holidays with their daughter and family at Savannah, Ga.

## City Council Has Regular Session

The Pahokee City Council in regular session Monday night voted to enter contract with the municipal consulting engineering firm of Russell and Axon, Daytona Beach, for a survey of the city's water system with recommendations for efficiency in maintenance and plans for expansion to meet future needs. The expansion plans are to include the proposed extension of a water main north on SR 15 to the city limits in order that the community of Canal Point may have the opportunity to avail itself of the services of the Pahokee water system, if desired.

It was also voted to employ an extra man with joint capacity in the waterworks and sanitation departments for reading meters and similar duties, this employee to substitute in the waterworks department for H. C. Graham, who was injured recently in a car accident, until Mr. Graham is able to return to his work.

Dr. E. C. Johnson, who filed application for a five-year exemption of city real estate taxes before he started construction on the newly completed Johnson medical clinic, was granted this tax exemption, subject to approval by Building Inspector Frank Thompson and City Attorney Ralph O. Johnson.

The sanitation department was requested to set up a schedule of payment for the services of a dogcatcher, the schedule to be submitted for Council action at the next meeting.

City Clerk Patsy Batchelor was instructed to write to the County Board of Public Instruction reminding the board of its promise to furnish the fill for the sidewalks which the city plans to build in front of the school grounds on SE First St. and Barfield Highway. A right-of-way grant and additional engineering data also has to be obtained before this work can begin.

It was voted to purchase a half page of advertising in the Pahokee High School 1958 yearbook, Devils' Trail, and to pay the accounting firm of William B. Rhodes \$140 for auditing the books of the Pahokee Marina Corp.

Councilman Loren Meredith, president pro temp, presided at the meeting in the absence of President John C. Hatton. Councilman Edgar Wilder was also absent.

## December 29 Is Student Night

Sunday evening, Dec. 29, has been designated as Student Night at the Pahokee First Baptist Church, with college students home for the holidays to be given special recognition during the worship service. Preceding the service the students will be guests at a supper given by the young people's department with Mrs. Frank Thompson and Mrs. Alex Johnson in charge.

Mrs. C. B. Jones and son, A. W. Jones, had as weekend guests her son and daughter-in-law, Mr. and Mrs. J. W. Jones and children of Charlotte, N. C.

## Here Is What Transpired At Monday's (Meeting Of The Palm Beach County Commission

A move to work out procurement of lands needed for a new county airport west of the Palm Beaches was authorized by the county commission this week.

The board instructed County Engineer Steve Middleton to confer with Indian Trail Ranch owners in an attempt to find a suitable location for the field.

In other actions this week the board:

Heard a report from County Agent M. U. Mounts that recent cold weather damaged pasture lands and vegetable crops in the county but failed to damage citrus and ornamentals.

Set dedication of the new County Children's Home for Jan. 5 when Arthur Dozier, director of all children's institutions in the state, will be the principal speaker. An open house will follow the dedicatory program, according to Commissioner Lake Lytal who is arranging the event.

Heard that \$105,000 in state funds is available for construction of a new health building and that efforts are now being made to secure a like sum from the federal government. The commission said the two grants represent about 40 percent of the estimated construction costs.

The Palm Beach County Commission this week took steps to crack down on what they described as illegal sale of subdivision lots by metes and bounds descriptions. Commissioner Lake Lytal said present county plat laws forbid this type of sale—a method used when subdivision plats are not approved and filed with the commission.

The board instructed Attorney Harry Johnston to take whatever

legal steps are necessary to halt metes and bounds sales.

In other actions on subdivisions, the board approved bonds furnished for Hidden Valley south of Delray Beach.

The board also instructed its attorney to notify the bonding company for Gun Club Estates that the bond was in default and that the company should move in and complete streets in the area.

Developers of the subdivision had asked for an extension of the bond which was turned down by the board. A previous extension had been granted, the commission said.

## Rainbow Girls Have Party

The Pahokee Assembly, Order of Rainbow for Girls, held its annual Christmas party in Mason Hall Monday evening following a business session at 7:30, with Miss Gwen Bracewell, worthy advisor, presiding. The Rainbow girls had their "dates" as guests at the party and gifts were exchanged.

## FHP & Police Enjoy Christmas Dinner

A Christmas dinner party for members of the Florida Highway Patrol stationed at the FHP office in Pahokee and their families and for members of the Pahokee police force and their families was held Friday evening with Cpl. Charles M. McWilliams in charge of arrangements. Out-of-town guests were Lt. C. R. Pirtle of West Palm Beach and Capt. Jurdan of Miami and their families.

## Gas & Tires Cause Most Trouble On State Turnpike

FT. LAUDERDALE—Keep your tires inflated properly and your gas tanks well filled and you'll avoid most of the troubles experienced by motorists driving on the Sunshine State Parkway, Florida's Turnpike.

This was the advice given to turnpike travelers by Captain C. E. Taylor, Commander of Troop K of the Florida Highway Patrol which polices the turnpike, in a report to Thomas B. Manuel, Chairman of the Florida State Turnpike Authority.

Each day during November, approximately 80 turnpike drivers required assistance from the Highway Patrol. The Troopers rendered aid to 2,384 motorists during the month.

Mechanical failure of motors, flat tires and running out of gas easily led the field for requests for assistance.

In November five motorists ran out of gas each day. Turnpike Troopers assisted 154 vehicles by

giving them enough gas, free of charge, to get them to the nearest service area. An average of 1.3 gallons of gasoline per vehicle was given out to the standard motorists, Captain Taylor said.

In the seven months period between the opening of the turnpike and the end of August, 1,848 motorists ran out of gas and were given assistance by the Turnpike Troopers. This accounted for 14.7 per cent of the calls for aid.

By far the most numerous calls for help were for motorists with tire troubles. There were 5,473 of these cases which accounted for 43.6 per cent of the assistance calls.

Engine troubles were encountered by 3,307 motorists for 26.5 per cent of the calls for assistance. The troopers were called upon to render aid to 66 people and delivered 30 emergency messages to travelers on the pike. Most of these concerned deaths or serious illnesses to relatives. All other categories amounted to 1,823 calls or 14.5 per cent of the assistance requests.

## White House Cake Baked In Miami

The President's Christmas cake was baked in Miami. For several years, the Greater Miami Council of Churches has been promoting the idea that Christmas should be celebrated for what it really is—the birthday of Jesus. To this end, they have urged folks to bake and serve birthday cakes at Christmas time—just as they would on any other birthday.

This year, at the suggestion of Mrs. C. O. Prowse, Jr., the group had a special Christmas cake baked for President and Mrs. Eisenhower. The cake was flown to Washington. It was presented at the White House by John Buckley, administrative assistant to Congressman Dante Fascell.

The cake was a 15 pound job. It was white with a star and an angel mounted on top. The outer rim of the cake was ringed with tiny red candles. The president was not personally available to receive the cake, but it was accepted instead by Earle Chesney, one of his assistants.

From where I'm sittin'... by Joe Marsh

## There'll Always Be An Expert

Drove out to see how they're getting along with the new super highway that's going to pass through town.

While I was there a fussy little guy—a spectator, like me—came up to the foreman on the job and started making all sorts of suggestions: "Shouldn't it go a little farther left there? ... Why don't you bank the curves more? ... Those ditches are awful close" ... and so, on and on.

The foreman took it as long as he could, then asked politely, "How does she look for length?"

From where I sit, free advice is called "free" because it's usually not worth much. That little fellow was typical of the kind of "expert" who can't resist getting in digs—about how you work, what you wear, why you happen to prefer a glass of beer with your supper. People like that don't mean to be troublemakers ... but the road to real intolerance is paved with their good intentions.

Joe Marsh

*Uncle Sam made the bonds you own  
an even better bargain!*

# Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid  
your interest as current income—  
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

## Now even better! Invest more in Savings Bonds!

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for this, private donations, the Advertising Council and

**SUPERVISING ACTIVITIES IN THE 1958 MARCH OF DIMES** will be directors of the Palm Beach County Chapter of the National Foundation for Infantile Paralysis. Directors pictured, seated left to right, Mrs. Charles Watkins, Mrs. Harvey Van Sant, Miss Nancy Williamson, George Hulme, chapter chairman; Lake Loyl, March of Dimes chairman; Mrs. Gaston Duval, Miss Carolyn Blitch, and Mrs. Elizabeth deParlier. Standing left to right—Mrs. Charles Slocum, executive director; Dave Martin, Jr., Teens Against Eddio chairman; Kenneth Foster, George W. Snyder, John Stetson, H. Elmo Robinson, Dr. V. D. Stone, Joe Farrish, Jr., Dr. C. L. Brumback and Mrs. Frederick Herpel.

## PERSONAL NEWS NOTES

Mr. and Mrs. John T. Pickett had as holiday guests their son and daughter-in-law, Mr. and Mrs. John T. Pickett, Jr., and family of Chamblee, Ga.

Mrs. Roy Vandegrift, Sr., accompanied by her niece, Ruthelle Vandegrift, has returned from a visit with her sisters, Mrs. Fred Laurence and Mrs. Pete Wolfenbarger, at San Francisco, Calif.

Mr. and Mrs. E. D. Sims, Jr., have as holiday guests his mother,

Mrs. E. D. Sims, Sr., of Daytona Beach and her mother, Mrs. Nanette Mallory, of Richmond, Va.

Mrs. Mary Hammond had as a guest the past week her daughter, Miss Lynette Hammond, who is a student at a Baptist nursing school in Atlanta, Ga.

Airman 2-C and Mrs. Leroy Johnson, who left Alaska by automobile on Dec. 13, were expected to arrive in Pahokee this week for a visit with her parents, Mr. and Mrs. J. B. Snyder.

Mrs. Ida Larrimore, Pahokee city librarian, is spending the holidays with her son and daughter-in-law, Mr. and Mrs. Arthur Larrimore, in Tallahassee.

Mr. and Mrs. Harlan Sears have as holiday guests their son and daughter-in-law, Dr. and Mrs. H. H. Sears, Jr., and children of West Point, Miss.

L. B. Wilson will be accompanied home from Albany, Ga., this week by his mother, Mrs. O. L. Norton, who will visit relatives in Pahokee and South Bay.

Mr. and Mrs. Frank Wilson and daughter, Miss Frances Wilson, spent Christmas Day with their son and daughter-in-law, Mr. and Mrs. Dennis Wilson, and family at Tallahassee.

Dr. and Mrs. L. W. Armstrong was the guest of her brother-in-law and sister, Mr. and Mrs. Willis Bowers, in Orlando on Christmas day.

Mr. and Mrs. Luke Dufresne had as guests on Christmas Day their grandson, Philip Chase, and their son-in-law and daughter, Mr. and Mrs. Francis Sablick, of Lantana.

Mr. and Mrs. Bill Easterly are spending the holiday weekend with relatives in LaBelle and Fort Myers.

Miss Marcia Jean Guthrie of Tallahassee is visiting her grandparents, Mr. and Mrs. I. S. Guthrie, in Pahokee during the holidays.

Mr. and Mrs. Lynn Hunter have as holiday guests his brother and sister-in-law, the Rev. and Mrs. Hal Hunter and family, former Pahokee residents now living in Crestview.

Mrs. Lizzie Kirkey, who has been ill at the home of her son-in-law and daughter, Mr. and Mrs. Philo Williamson, is reported to be feeling better this week and able to sit some of the time.

W. K. Buchanan has returned to his home in Canal Point from Woodbury, Ga., where he was called last weekend by the death of his nephew, Billy Buchanan, seven-year-old son of Mr. and Mrs. R. D. Buchanan, who was killed when a gun was accidentally discharged.

Col. and Mrs. P. A. Keyes and children of Miami spent Sunday in Pahokee visiting her parents, Mr. and Mrs. R. W. Sanders, and her brother and sister-in-law, Mr. and Mrs. R. M. Sanders.

Mr. and Mrs. Robert L. Allen of Atlanta, Ga., visited her parents, Mr. and Mrs. J. B. Crosby, in Pahokee Sunday.

The Canal Point Methodist Woman's Society of Christian Service held its annual Christmas party at the home of the pastor's wife, Mrs. Loren Sparks, with Mrs. Sparks acting as hostess.

Mr. and Mrs. Farris Kincaid and infant daughter, Kimberly, spent Christmas with her mother, Mrs. Mary Alexander and family in Sanford.

Mrs. Ruby Chaney and daughter, Mrs. Wood, had as guests the past week Mr. and Mrs. R. K. Wayle and Sonja Lee of Orlando; also Audrey Bennett and Mrs. Garland Chaney of Homestead.

Mr. and Mrs. Carl Sweat (Elsie Everett) of Pahokee announce the birth of a daughter, Betty Sue, at the Everglades Memorial Hospital, Dec. 18.

### Chapter 184, Eastern Star Elects Officers

Mrs. Judy Sapp was elected worthy matron and O. H. Sheppard, worthy patron, of Pahokee Chapter 184, Order of Eastern Star, at the annual election of officers held in the Masonic Hall.

Other new officers elected were Mrs. Velma Hall, associate matron; Perry Hall, associate patron; Mrs. Jessie Barnes, secretary; Mrs. Eleanor Bordeaux, treasurer; Mrs. Angelea Sears, conductress; Mrs. Ruth Meredith, associate conductress; J. H. Bordeaux, sentinel.

The ceremony for the induction of the new officers will be held in the Masonic Hall Monday night, Dec. 30, at 8 p. m.

Governor LeRoy Collins has proclaimed Feb. 27-March 8 as the third annual Festival of Florida Products Week. The Florida Development Commission will again lead the way in the promotion of the state's resources and economy.

### Members Of BPWC Enjoy Holiday Dinner

Members of the Pahokee Business and Professional Woman's Club enjoyed a holiday dinner party at the home of the president, Mrs. Allie Okie. Assisting Mrs. Allie as co-hostesses were Mrs. Janette Johnson, Mrs. Ann Donehoo and the Misses Ellen Morgan, Julia Mathis and Barbara Myatt. Out-of-town guests were Mrs. Helen Speed of Delray Beach, director of BPW District Eight; Mrs. Florence McNicholas of Lake Worth and Mrs. E. D. Sims, Sr., of Daytona Beach.

### ENJOY TURKEY SUPPER

Members of the Pahokee High School Senior Class enjoyed a turkey supper and Christmas party in the Woman's Club building Friday evening with room mothers of the Class acting as hostesses.

### Foundation Started For New Gym

Work was started this week on the driving of the concrete piling foundation for the new \$143,000 Pahokee School gymnasium. B. A. Roemer Construction Company of Belle Glade is the contractor.

Mr. and Mrs. George Ramey had as dinner guests Christmas Day Dr. and Mrs. Gordon S. Schuettert of Okeechobee.

a castle in the air costs nothing.  
—but you can't live in it!

**Make your dream house come true! It's easy  
—through Payroll Savings!**

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to ~~pay~~. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.28!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

\* \* \*

*If you want your interest as current income, ask your bank about Series E Bonds, which pay dividends monthly by Treasury check.*

Choose your own savings goal

	If you want approximately		
	\$5,000	\$10,000	\$25,000
Each week for 9 years and 8 months, save.....	\$5.00	\$10.75	\$26.00
Each week for 10 years and 8 months, save.....	\$5.75	\$11.00	\$26.75

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. Remember, you can save any amount you want, and you can change your goal at any time.

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

 7:30 p. m.—Midweek Prayer meeting.  
 "Where you are a stranger but once".

## Here's The Way To Tell Beef Grades At Your Market

**TAMPA**—Telling the grades of beef apart is still a bugaboo to many Florida housewives.

The Florida Beef Council reports that questions about beef grades flow into their office daily from the state's homemakers.

The Beef Council says most shoppers know the names of the different grades but have trouble with what the name means.

There are six grades of beef on Florida's retail markets and here are what their government grades mean.

**PRIME**—This is meat from young, well-fed cattle. The lean is bright, red, firm and fine textured. It's generously marbled with fat and cuts are juicy tender and well flavored.

**CHOICE**—This is the most popular grade and contains less fat marbling than Prime. Color of the lean is a slightly darker red than Prime. Taste quality is high.

**GOOD**—There's more lean to fat than Prime or Choice. Fat is thin and yellow. Lean is dark with little or no marbling. Cuts are relatively tender but not as juicy as better grades.

**STANDARD**—This is a new grade to cover meat from young but lower quality animals. There is a thin covering of fat and usually no marbling. Cuts are moderately tender although the taste is sometimes bland.

**COMMERCIAL**—This is meat from older animals. Unless cooked with moist heat it is often tough. When properly cooked, however, it

has the full, rich flavor of mature beef.

**UTILITY**—This is the lowest grade found in most markets. There is only a little fat. The lean is soft, dark and stringy.

### Corporations May Buy Series E & H Bonds After Jan. 1, 1958

**TAMPA**—After January 1, 1958 corporations and all other types of investors, except commercial banks, may purchase Series E and H Savings Bonds R. L. Markham, State Director of the Savings Bonds Division, reminds the public.

Series E, and H Savings Bonds have been available only to individuals, personal trust accounts and employee savings plans. The ruling will be of special interest, Markham pointed out to a large number of small institutional groups, such as farm organizations, fraternal, civic, service, patriotic and veterans organizations, labor unions, churches, eleemosynary institutions and state and local government bodies. The Treasury has received considerable demand from such groups for securities of this type, Markham explained.

A limit of \$10,000 a year of each series, (maturity value), has been fixed, the same annual purchase limit that now applies to individuals.

Markham said the Treasury was taking this step to fill a gap in the Savings Bonds program which was created last April when the sale of Series J and K Savings Bonds was discontinued.

Since then small investor groups, other than individuals, have not had available to them any government security with guaranteed interest rate and protection against market fluctuations.

### Christian Science Group Of Canal Point

The ever-availability of the healing power taught and practiced by Christ Jesus will be brought out at Christian Science services Sunday. Scriptural readings in the Lesson-Sermon entitled "Christian Science" will include the account in John (4:46-53) of Jesus' healing of the ruler's son that lay sick at Capernaum.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (329:1) "As time moves on, the healing elements of pure Christianity will be fairly dealt with; they will be sought and taught, and will glow in all the grandeur of universal goodness."

The Golden Text is from Daniel (2:20,22): "Blessed be the name of God for ever and ever: for wisdom and might are his: he revealeth the deep and secret things."

### Kirk Completes Oldsmobile Course

Mitchell G. Kirk, a member of the service staff of Stanley Chevrolet Co., Pahokee, has successfully completed an intensive course in advanced Oldsmobile servicing and maintenance techniques at the General Motors Training Center in Jacksonville, it was announced today by W. J. Buxton, Oldsmobile Division, General Service Manager.

"Mr. Kirk, is one of thousands of Oldsmobile dealer service employees who have taken instruction under highly-skilled instructors trained at the Oldsmobile factory," Mr. Buxton said. "Their training is part of a vast program to maintain Oldsmobile dealer service departments at the highest possible level."

"Today's automobile engineering is too complex and improvement too rapid for any casual approach to service," Mr. Buxton said. Thirty General Motors Training Centers throughout the U. S. help keep service employees of GM car and truck dealership familiar with new mechanical features.

Oldsmobile dealer personnel completing the training course receive year round on-the-job training through the Oldsmobile Service Guild sponsored by the Oldsmobile Division Service Department.

Ceramic tile is expanding from the kitchen and bathroom into the living areas of homes. The trend, which is spreading from coast to coast, ranks among the most significant changes in home design in recent years.

## Pick your savings target and shoot straight for it!

**A** home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

**For the big things in your life, be ready with U. S. Savings Bonds**

## Births

Mr. and Mrs. James S. Wilson of Miami announce the birth of a son, Jimmy Burnett, at a Miami hospital, Dec. 11. Mr. and Mrs. R. W. Sanders of Pahokee are the maternal grandparents.

## Big Development In Ruskin Area

TAMPA—One of the largest real estate transactions in the West Coast area of Florida was consummated recently with the sale of a 5303-acre tract of land to a Lansing, Michigan developer by Paul Dickman, farmer and cattleman of nearby Ruskin.

To be named LaVida Beach, the \$5 million purchase by Francis J. Corr of Lansing will result in the development of 12,000 homes and the setting aside of 700 acres for hotels, motels, duplex and cooperative apartments.

Three marinas will be constructed and 81 miles of deep waterways to give canal water-frontage to many of the homes will be dug. A beach island three miles long and extending out into Tampa Bay 3,000 feet is also included in the plans. Schools and commercial areas will be included as will golf courses, tennis courts, bridge paths and public beaches.

Corr comes from a long line of developers. His grandfather built Michigan's state capitol building and Corr recently completed a multi-million dollar State of Michigan office building to Lansing, as well as a Lansing shopping center occupying 57 acres.

Construction on the first homes will start next month and will feature dwelling that range in cost from \$14,000 to \$25,000.

## Hurt Workers May Lose Benefits

Disabled workers who were eligible in July 1957 for social security disability insurance benefits and who failed to apply before the end of December will lose up to \$651. R. C. Gehrken, Jr., manager of the West Palm Beach Social Security Office said today.

Eligible persons who make application for disability insurance benefits before the end of December can be paid benefits back as far as July, when such benefits first became available. No back benefits can be paid for those who file after December. The law provides that in such cases payments can begin no earlier than the month in which the application is filed.

Applications for the benefits can be made at the Social Security District Office, 501 North Olive Avenue, West Palm Beach, or by contacting a representative of the office who regularly visits Vero Beach, Fort Pierce, Stuart, Delray Beach, Okeechobee, Pahokee, Belle Glade, Clewiston, and Moore Haven. Check your local post office for a listing of the time the social security representative will be in your town.

The 365-acre residential and resort community of Key Colony Beach in Florida's Keys rose in three years from a wasteland of rugged coral rock, sand and mangrove swamp.
